## Next-Level Craftsmanship

The **BOLD N4** combines precision design with high-performance engineering. Its lightweight frame features a 3D dual-curved AMOLED display for immersive, edge-to-edge clarity. Crafted from premium materials, it's as durable as it is elegant. A rear secondary display adds smart functionality, giving you instant access to notifications, camera previews, and key info.

## Built for AI

Experience cutting-edge innovation with the **N4**, powered by MediaTek's advanced 6th generation NPU 655. Discover how AI-driven features like intelligent photography, personalized performance, and smart assistance can transform your mobile experience.

# Inmersive Fluidity

Take your gaming and streaming to new heights with a stunning 120Hz infinity curved display. Delivering double the frame rate of standard 60Hz screens, it ensures ultra-smooth motion and lifelike visuals—making every scene feel more dynamic, responsive, and real.

# Next Level Gaming

Unleash your gaming potential with the **N4**, powered by the ARM Mali-G615 GPU. Experience immersive graphics, smooth gameplay, and unparalleled performance. With advanced rendering capabilities and efficient power management, the **N4** delivers a console-like gaming experience on-the-go.

# 5G

## Epic Velocity

5G phones are the future of mobile technology. With speeds up to 100 times faster than 4G, you can stream, download, and game like never before. Plus, 5G is more reliable and has lower latency, so you can stay connected even in crowded areas. Get a 5G phone today and experience the future of mobile.

# Unleash Unbridled Performance

The MediaTek Dimensity 7300X Octa-Core CPU, featuring four ARM Cortex-A78 processors clocked up to 2.5GHz, delivers lightning-fast app response, exceptional performance, and buttery-smooth gameplay. Paired with the power-efficient ARM Mali-G615 graphics engine, you enjoy extended battery life and immersive gaming sessions on-the-go.

## AI Mode

Activate AI functions for automatic scene detection to adjust your camera to the best scene.

# Unstoppable Power

The **BOLD N4** packs a punch with its 5,000mAh battery and 66W ultra-fast charging, minimizing downtime and maximizing enjoyment. Powered by the efficient Dimensity 7300X CPU, this 5G device delivers extended battery life and seamless performance in a sleek device designed for all-day use.

\* Battery performance depicted above is not 100% accurate and will vary depending on usage patterns, the strength of signal, network, device settings, battery condition, and temperature. The battery life claims depicted are based on user testing that includes device usage under optimal networking conditions.

# Efficient Power, Maximum Productivity

The 66W Ultra Fast Charger delivers rapid charging performance to minimize downtime and maximize efficiency. Power up your **BOLD N4** to 100% in just 20 minutes, so you're always connected, responsive, and ready for anything. Designed for professionals who demand speed, reliability, and zero compromise on the go.

**66W** Ultra Fast Charger - 100% in 20 min.

# Seamless Connectivity

Stay effortlessly connected to your **BOLD N4** and all your essential devices. With NFC technology, you can streamline your daily routine and enjoy a hassle-free, integrated digital experience.

# Seamless Security Access

Unlock your device in under 0.4 seconds with the **BOLD N4**'s ultra-fast in-display fingerprint sensor. Enjoy instant access while keeping your apps and files securely protected.

**In-Display** Fingerprint Sensor

## Android 15

Android 15 brings some cool new features like a private space to hide sensitive apps, automatic device lock if it's stolen, and better camera performance in low light. Plus, it's got improved PDF handling and stronger security to keep your phone safe
