C5 2019

DESIGN

# Lookin' Good

The C5 2019 is a super compact phone that fits perfectly in the palm of your hand. A smooth paint coating that is both gorgeous and lasting.

Available in: Glossy Grey, Black, Red, Gradient Blue and Pastel.

## PERFORMANCE

# Great Power

Powered by a 1.3GHz Quad Core processor in order to multitask with all your apps, stream your favorite videos, and send out emails without a hitch

# Android 8.1 Go Edition

## Go Edition

A powerful experience for entry-level smartphones. It's the best of Android, built with new and reimagined apps, so even the most affordable Android smartphones are as sweet as can be.

## Data that has your back

With a built-in data manager and more options to help you save, there are now more ways than ever to stay in control of your data. Because data is meant to be enjoyed, not just used.

## Google apps, reimagined

By building a fast, smooth smartphone experience with enhanced apps (and a few new ones), you can email, get answers, find directions, and play games faster than ever.

## Built to use less

Brand new apps designed for lighter updates and downloads help create more space while significantly improving performance. That's what we call a win, win.

## Saving space, Wherever it's needed

With smaller app sizes, more storage space, and way more control over how your content is stored, it's easy to see the ways Android Oreo (Go edition) helps you save.

# Comparison
