Listen To Music On The Go

No need for a headset the FLASH 2.4 has built-in FM Antenna. Go ahead pump up the volume anywhere on the go!

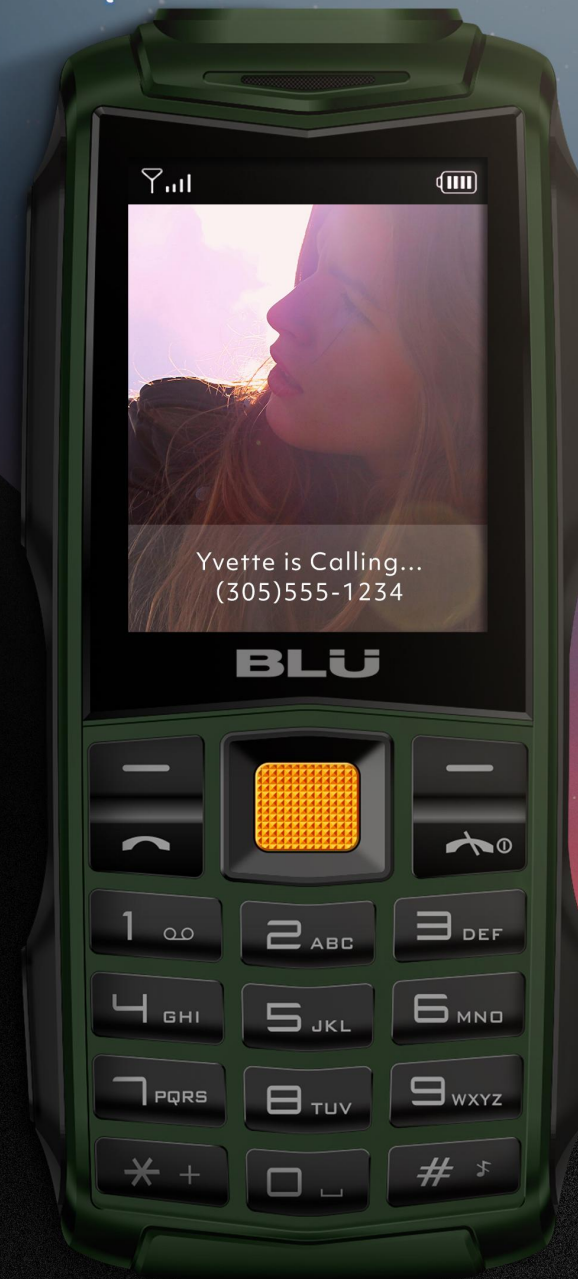

Built-in FM
Antenna

Dual Sim Card

The FLASH 2.4 provides several advantages that can't be denied. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or charging two devices. You can take advantage of different voice plans for better rates, better coverage and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and international carrier SIM.
