GRANDenergy

DESIGN

Beautiful from every angle

The GRAND ENERGY was designed with a smooth aluminum and electrolyzed finish. The concept was to incorporate functionality and style to the smartphone user. Available in Black, Grey, Rose Gold and Gold.

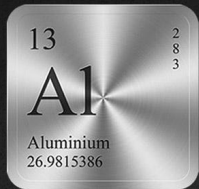

CRAFT

Precise Engineering

Advanced tooling technology that
utilize state of the art CNC milling
along with precise assembling.

CRAFT

Made with real metal

The GRAND ENERGY is made
from real aluminum. Not plastic.
High end and premium feel for
best perception and value.

CURVED GLASS

Design and functionality combined

The GRAND ENERGY adds a curved touch panel for both ergonomic and aesthetic purposes. Better viewing angles and sunlight legibility are just some of the many improvements the special glass provides. In addition, it provides a gorgeous look and feel.

DISPLAY

Bright. Vivid. Perfect.

Capture stunning imagery from all angles with GRAND ENERGY'S 5.0" HD display. All your favorite movies will be showcased in all its splendid glory on the GRAND ENERGY's bright and vivid display.

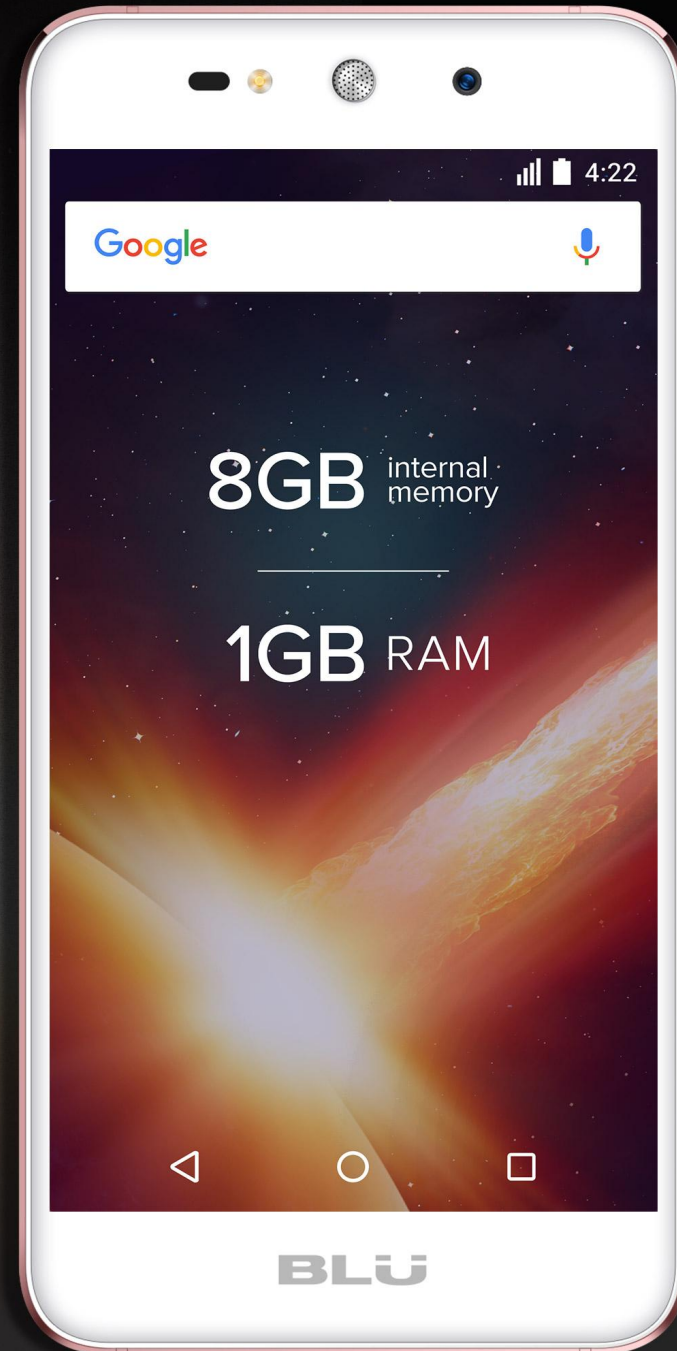

PROCESSOR

Fast and powerful

Offering a MediaTek 6580 chipset with a 1.3GHz Quad core processor, The GRAND ENERGY ensures a seamless working experience.

With an enormous 8GB of internal memory and 1GB of RAM, all your favorite music, photos and movies are a click away on the GRAND ENERGY.

MEDIATEK

BATTERY

Long-lasting monster battery

With a 4,000 mAh monster battery, The GRAND ENERGY will provide the long lasting battery life your daily grind requires. Always be assured your smartphone will be charged and ready for use.

OPTICAL PERFORMANCE

A complete camera experience

Enjoy the superb quality of a 5 megapixel Autofocus main camera with flash as well as its 5 megapixel counterpart front flash camera.

The GRAND ENERGY will provide an amazing camera experience.

SELFIE CAMERA

Take great
selfies every time

Take great selfies with GRAND ENERGY's 5 Megapixel front camera with built in front LED flash, perfect for those moments in low light. GRAND ENERGY will surely provide grandiose self portraits!

OPERATING SYSTEM

Android 6.0 Marshmallow

Redesigned user interface that is friendly and intuitive.
Lock screen notifications for quick actions and quick access.
Project Volta for better battery life than any previous version.
Multitasking is now easier with a look at all your open applications.
Multiple users and guest mode make it easy to share your device without compromising your personal information.

DUAL SIM

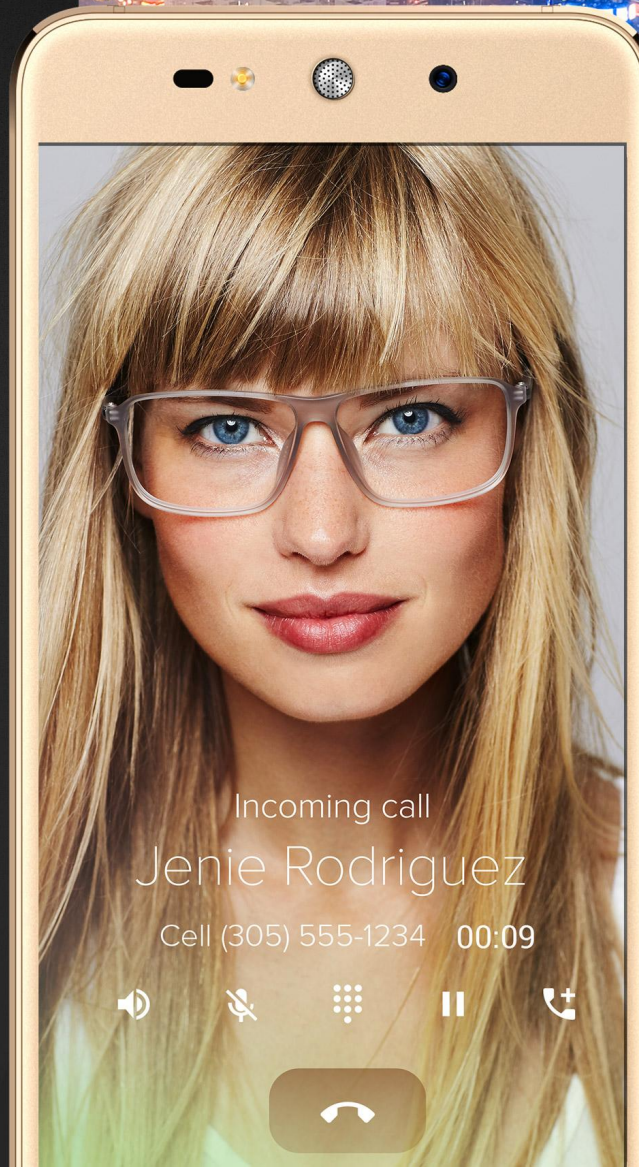

One phone to make your life easier

Don't ever worry about exchanging SIM cards from one phone to another or carrying two phones in your pocket. With two SIM slots, you can take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.

COVERAGE

Unlocked

Stay connected with friends and family while traveling across the country. Get the job done no matter where you are. The GRAND ENERGY comes with 3G 850/1700/1900/2100 so you can have coverage across the entire United States with all different carriers; AT&T, T-Mobile, MetroPCS, and entire MVNO network.
