## DUAL SIM **1** **2**

The VIVO 5 Mini gives you several advantages that you can't let pass by. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or charging two devices. You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
