Dual SIM Installation Guide

Installation of the SIM Cards
Please install the SIM cards before using your phone.
Note: Please keep the SIM cards out of the reach of children. The SIM cards and its contacts are easily damaged due to scratching or bending. Please be cautious when carrying, installing, or taking out the SIM cards.

To insert SIM card:
◊ Remove the rear cover. Insert the SIM cards. Insert the SD card. (For additional storage capacity)

Note: You may use the phone with dual SIM functionality and have ability to use an SD memory card.

SIM 1   SIM 2

SIM Cards

◊ Insert the battery, replace the rear cover, and power on the phone.
