STUDIO G4

## Key Selling Points

---

5.2" HD Curved Glass Display

8 Megapixel Main Camera with LED Flash

5 Megapixel Front Selfie with LED Flash

16GB of Internal Memory

1GB of RAM

MicroSD Up To 64GB

Android 8.1 Oreo (Go Edition)

## Stylish Design

---

The STUDIO G4 was designed with a compact and gorgeous housing with color matched touch panel for a perfect look. Structural integrity graced with a smooth curved glass display that is the envy of others.  
Available in Black, Blue and Gold.

# Impressive View

The STUDIO G4 showcases an impressive 5.2" HD display that brings realistic image to life. Enjoy your movies or play the latest game downloaded from the PlayStore, the 720 x 1280 resolution with 282ppi vivid display will sure to impress.

## Curved Display

---

Incorporating the highest grade material such as curved glass touch panel ensure the STUDIO G4 has excellent feedback and feel, as well as a smooth liquid form factor.

# Masterful Images

Capture life's greatest moments with the STUDIO G4's 8 Megapixel main camera. Enhance the image with numerous camera modes to ensure gorgeous pictures every single time.

**8MP**  
With Flash

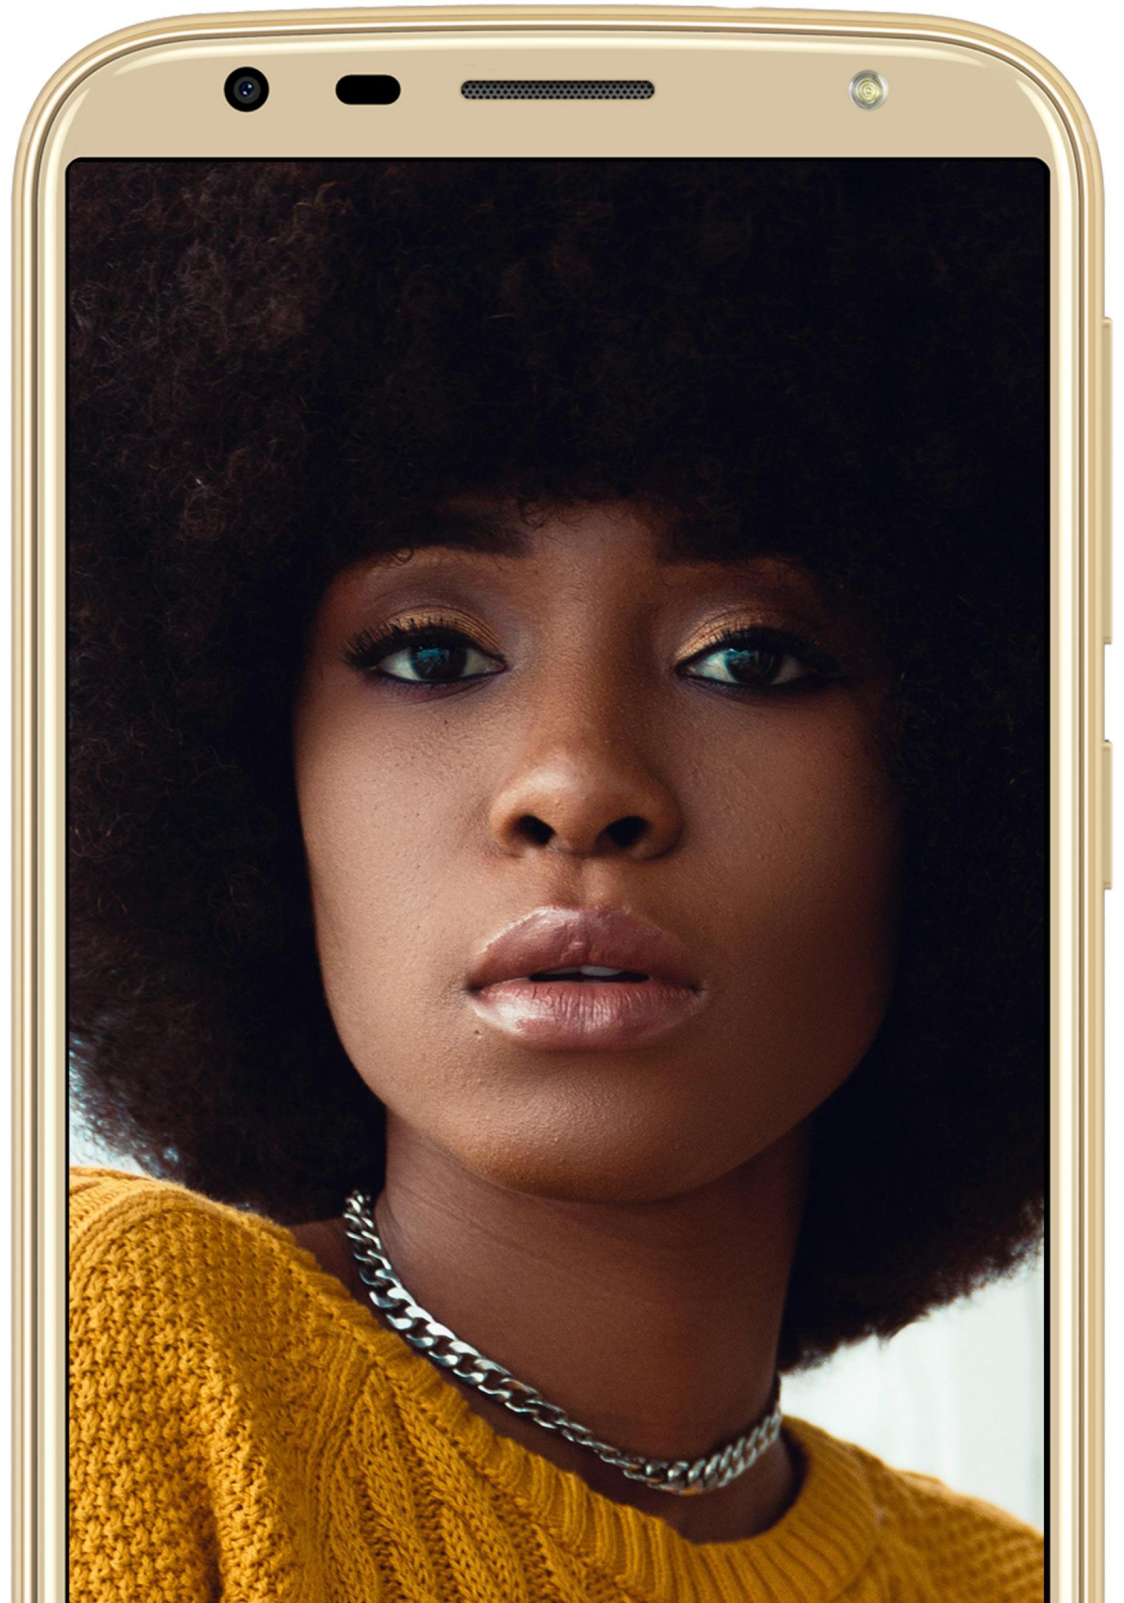

## Selfie Time

---

Take all your self portraits on the STUDIO G4's 5 Megapixel front camera. Most phones take the best picture in daytime, with the STUDIO G4's flash you will get the best picture anytime.

**5MP**  
With Flash

# Processor

The STUDIO G4 is powered by a MediaTek 6580 chipset with a 1.3GHz Quad Core processor, plenty to provide users with all the multitasking capability desired. Enjoy all your favorite movies and games with speed and efficiency thanks to the Mali-400 GPU.

## Android 8.1 Oreo (Go Edition)

### Android 8.1 Go Edition

A powerful experience for entry-level smartphones. It's the best of Android, built with new and reimagined apps, so even the most affordable Android smartphones are as sweet as can be.

### Google apps, reimagined

By building a fast, smooth smartphone experience with enhanced apps (and a few new ones), you can email, get answers, find directions, and play games faster than ever.

### Data that has your back

With a built-in data manager and more options to help you save, there are now more ways than ever to stay in control of your data. Because data is meant to be enjoyed, not just used.

### Saving space, Wherever it's needed

With smaller app sizes, more storage space, and way more control over how your content is stored, it's easy to see the ways Android Oreo (Go edition) helps you save.

### Built to use less

Brand new apps designed for lighter updates and downloads help create more space while significantly improving performance. That's what we call a win, win.
