OPERATING SYSTEM

# Android 8.1 Oreo

**2x faster:**

Get started on your favorite tasks more quickly with 2x the boot speed when powering up.

**Background limits:**

Android Oreo helps minimize background activity in the apps you use least, it's the super power you can't even see.

**Autofill:**

With your permission, Autofill remembers your logins to get you into your favorite apps at supersonic speed.

**Picture-in-Picture:**

Allows you to see two apps at once, it's like having super strength and laser vision.

**Smart text selection:**

Android Oreo recognizes text when you tap or select, then recommends a next logical step via a suggested app.

**Notification Dots:**

Press the notification dots to quickly see what's new, and easily clear them by swiping away.
