TANK 3

MORE THAN A PHONE

Monster Battery
30 Days Stand-By

KEY SELLING POINTS

Introducing the all new TANK 3, the newest addition to the TANK series, with better performance in a compact and stylish form factor and monster battery.

A bright and vivid 2.4" display with TFT 65K colors that will bring the image to life. You will enjoy an incredible viewing experience.

The VGA camera with LED flash enables you to capture and record all your most memorable moments. Paired with Bluetooth technology, you will be able to share them with your friends and family.

Sporting a huge 1900mAh battery that offers 30 days stand and 72 hours one continuous talk time. MP3/MP4 player along with Built in FM antenna radio ensure you will never miss a moment that will last a life time.

INNOVATION

The diamond pattern on the TANK 3 is the fruition of endless hours of research and development; engineering expertise, multiple angles of approach to the mold and tooling capability, our of this world creativity that brings imaginary ambition to reality. The effort and dedication for a design that is advanced and refined as the TANK 3 is pure passion.

PREMIUM FINISH

The TANK 3 combines the use of special metallic paint along with electrolyzed technology to achieve a high end looking smartphone. The middle housing contrast with a polished finish with sand blasted to stand out. Available in Grey, Black, Gold, Blue and Pink there is a color for each consumer life style.

AMPED UP

The most frustrating part of owning a mobile phone is to constantly keep it charged. With the TANK 3 you will not have that problem as its 1900mAh battery offers 30 days of standby and up to 72 hours of continuous talk time.

Never miss that important business call or the late night chat with your love one ever.

LASTING POWER

The Tank 3 offers a long lasting 1900mAh battery with up to 30 days standby and 72 hours talk time.

DEPENDABLE

You never have to rely on a wall outlet when it comes to the Tank 3. No matter where you are, your phone will always be able to make that call.

EMERGENCY

In case of natural disasters, phone and power outages your Tank 3 will always be there when the time comes.

DUAL SIM CARD **1****2**

A Dual SIM gives you several advantages that you cannot let pass by. Having two SIM slots in your mobile device, there isn't anything to worry about: **Exchanging SIM cards from one phone to another • Carry two phones in your pocket • Remember to charge two devices.** You could take advantage of different voice/data plans for better rates, better coverage, and separate bills. You can set apart personal from business phone calls. For the international traveler, a DUAL SIM phone could avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
